Ordering Information

For ordering, technical services and sales, you can conveniently reach the DSL Customer Assistance Center by:

Tel: 800-231-7970 or +1-281-332-9678

Fax: +1-281-338-1895

Email: info@dslabs.com

In compliance with U.S. Federal Regulations, a copy of customer's current radioisotope license must be on file with DSL. The license may either be mailed or faxed to the Order Entry Department at DSL. Orders cannot be shipped until the license is received by Order Entry.

Report all incidents of shortage, breakage, or any other product damage within five days of receipt of goods. DSL cannot honor any claims reported after the five-day period. Customers are responsible for cargo insurance and all other charges incurred. In the event of a claim for lost, delayed or damaged shipments, the customer must file the claim with carrier and not hold DSL accountable. Report all shipping errors to DSL immediately. Should damage occur during shipping, please report the damage to both the carrier and DSL. DSL assumes no liability for loss or delay caused by strikes, accidents, delays of carriers, or other causes beyond DSL's control. No products may be returned to DSL unless prior authorization and shipping instructions have been obtained from DSL's Order Entry Department. Returns are subject to a 25% restocking fee. Some products, because of their biological nature, are considered final sales.
